

Actors Ink - Workshop Procedure

Thank you for registering with Actors Ink and we look forward to seeing you at the next registration workshop.

If you are unable to attend the workshop listed on the site please call an Actors Ink consultant to book into the next workshop.

The registration fee covers administration and workshop costs. This registration activation is for a minimum of 12 months, after this time it's imperative you maintain contact with Actors Ink keeping your details current to keep your registration active.

The workshop lasts for about 1 hour and will be conducted along the following lines:

First your head shot is taken (Photo). So it's important to come looking your best. Ladies - light natural make up and hair styled down. Men - Clean shaven and hair styled.

Next you will be briefed by one of the casting consultants about the industry.

Finally, a professional acting tutor will run you through a few basic acting skills, where Actors Ink consultants will evaluate you for the level of work you can be put forward for.

You will also be asked to fill in and missing data on your registration form such as, measurements, spoken languages, prior acting experience/ tuition, hobbies and sporting abilities.

This is also a great opportunity to bring your CV, Voice Demo CD, or extra Headshots. Please be sure to bring copies only not the originals.
