

## **General Audition Youth Monologues:**

### **Schroeder:**

I'm sorry to have to say it to your face, Lucy, but it's true. You're a very crabby person. I know your crabbiness has probably become so natural to you now that you're not even aware when you're being crabby, but it's true just the same. You're a very crabby person and you're crabby to just about everyone you meet. Now I hope you don't mind my saying this, Lucy, and I hope you're take it in the spirit that it's meant. I think we should be very open to any opportunity to learn more about ourselves. I think Socrates was very right when he said that one of the first rules for anyone in life is 'Know Thyself'. Well, I guess I've said about enough. I hope I haven't offended you or anything. (*awkward exit*)

### **Lucy:**

Now Linus, I want you to take a good look at Charlie Brown's face. Would you please hold still a minute, Charlie Brown, I want Linus to study your face. Now, this is what you call a Failure Face, Linus. Notice how it has failure written all over it. Study it carefully, Linus. You rarely see such a good example. Notice the deep lines, the dull, vacant look in the eyes. Yes, I would say this is one of the finest examples of a Failure Face that you're liable to see for a long while.

### **Taylor:**

In exactly one minute my life will end! You know why...because those people who pretend to be my parents are about to come onto this stage and do something so unbelievably humiliating, my life will be destroyed forever.

They're going to do this in front of my whole school and anyone who's ever mean't anything to me. Only one thing can save me.....if my best friend Hector can get here in the next 18 seconds I'm saved!...Quick Hector ....save me!!

### **Lizzie:**

Well it's almost that time of year again. Valentine's Day is almost here, and my teacher is going to once again FORCE me to write a Valentine's Day card to everyone in my class. I understand that they don't want anyone to get their feelings hurt, but why do I have to write a Valentine's day card to the kid who pushed me down at recess, and made fun of me? And am I supposed to really believe that when they give me a card that they REALLLY want to be my Valentine? .... My older sister thinks that this is where kids first learn to lie about their feelings in a relationship. She said it helps us prepare for marriage.... (shrugs shoulders) whatever THAT means!
